

FREETRADE

IMPOSING, ICONIC
& STEEPED IN HISTORY

SINCE THE VICTORIAN ERA,

FREETRADE HAS STOOD PROUDLY ON A CORNER OF PETER ST MANCHESTER

A building with a story

Freetrade is one of a cluster of majestic Victorian buildings that make up the civic heart of Manchester, the city's most elegant district. With its Grade two listed exterior fitting seamlessly into an urban fabric that includes the Town Hall, Central Library and Free Trade Hall.

— Opposite the iconic Freetrade Hall

Peter Street is the central spine of Manchester's commercial heart, linking the historic civic quarter of St Peter's Square with the 21st century business district of Spinningfields. Everywhere that matters to a modern business is within a five minute walk. Freetrade dates back to the Victorian era when it was filled with the colourful sights and bustling sounds of a fabric warehouse, the sensitive restoration still harks back to this illustrious time, yet carefully fuses modernity with outstanding Victorian features. Freetrade is a building of true historical interest.

SITTING AT THE CENTRE OF EVERYTHING

Location

Freetrade sits at the centre of everything Manchester has to offer, with a dazzling array of shopping, cafes and restaurants, museums and galleries close by. Peter Street alone boasts some of the most exciting names in Manchester's thriving hospitality scene, Rudy's Pizza, BrewDog, Albert's Schloss, Dirty Martini and the widely heralded music venue Albert Hall. Further afield, the choices expand yet further.

EMPHASISING SUSTAINABILITY FOR A POSITIVE IMPACT ON THE ENVIRONMENT

Clearbell are committed to the circular economy, recycling and repurposing buildings to enhance their sustainability. This ethos is at the core of our refurbishment of Freetrade. We have invested significantly in operational carbon reduction initiatives, and have created a best-in-class wellness hub within the building's basement.

The key initiatives highlighted are being undertaken to ensure the refurbishment of Freetrade has a positive impact and helps protect the natural environment.

Any business considering Freetrade as their new home can be confident in the knowledge that sustainability, health and well-being are at the core of its design.
